Hi Sarah – when these briefing docs get sent to HQ, can you send me a copy so that I can send them on to OGC as well?  
Thanks, Lucita

Hi Lauren - I don't have the briefing papers, but I just called the regional attorneys and I'm copying them on this email as well.

**Lucita and Alexa:** Avi asked CCILO for briefing papers for upcoming meetings with the Administrator on the Dewey Burdock and Florence Copper permits. If you have them, could you please send them our way? Thank you!

Hi Tony,

At the end of Reg Review, Avi asked for a briefing paper or available paper describing the two UIC issues for which there are upcoming Administrator meetings (Florence Copper and Dewey Burdock). I'm cc'ing Leslie Darman in case Leslie you have access to briefing papers for these meetings.

Thanks!
